

Revenue Assurance Partners, LLC Announces Experian Credit Reporting

For Immediate Release

MANDEVILLE, La./EWorldWire/Feb. 24, 2005 --- Phillip Weaver, president and CEO of Revenue Assurance Partners, LLC, announced today that the company has initiated credit bureau reporting on behalf of their clients through industry leader Experian.

Revenue Assurance Partners provides an extensive array of credit and collection services to the business to business marketplace. The company deploys state of the art document imaging, IP telephony, RAPDIRECT remote client access and the most robust recovery software available.

Weaver, the founder of Revenue Assurance Partners, said, "Our technology platform has allowed us to deliver levels of recovery and service previously unheard of in this industry. Our partnership with Experian simply adds to the wide variety of credit and collections tools that we provide, as value-added services, to our client base. Our commitment is to continue to forge ahead with technology and programs that assist the credit professional in their day to day tasks."

About Revenue Assurance Partners, LLC
